

2023 Camp Homewood Student Code of Conduct

While students are participating in the Camp Homewood Leadership Trip, it is expected that students will represent their families and school in a respectful, considerate and safe manner at all times.

Students have signed the annual "**code of conduct**" that covers their behavior in school and on all school related field trips, that includes the Camp Homewood Leadership Trip September 18 -22, 2023

In addition, given the unique circumstances of the field trip, students will be required to follow the subsequent guidelines:

- Attend all scheduled meeting and meal times (meals, bus departures, chapel, and curfews)
- Hang out in public/assigned spaces during unstructured time (not in individual rooms)
- Remain in designated areas in camp
- Refrain from going to rooms of opposite genders
- Refrain from alcohol or drug consumption or use of any illegal substances
- Keep rooms tidy (to be checked daily)
- Remain in assigned room after curfew
- Refrain from inappropriate media in rooms
- Refrain from using cell phones for communication or entertainment
- Leave tables in dining room/patio tidy
- Remain in muster teams when not in general activity times at camp including airports, bus rides, outdoor activity groups, and whale watching
- Respect and follow guidelines of Camp Homewood staff at all times
- Follow safety procedures for camp and whale watching

If a student does not adhere to these guidelines, students may be required to remain under teacher supervision.

In addition, in extreme infractions - if deemed necessary by administration - parents may be required to come pick up their son/daughter from Comox airport.

I have read the above code of conduct and agree to follow them with a respectful attitude:
